

# Positive Points (January 21, 2016)

## CE Jacobson

Jason Mielke | CE Jacobson Principal

### **Priority Area 1: Achieve Academic Excellence**

- Completion of the Reading & Math OLPA tests
- Winter benchmarking is nearly complete and our students continue to make progress in the areas of math applications and oral reading fluency
- Math in centers for the younger grades training
- Continue to look at new reading curriculums based on guided reading and balanced literacy that would best meet the needs of our students.

### **Priority Area 2: Foster a Positive and Safe Environment**

- Recent training in PBIS (Positive Behavior Intervention and Supports), new signs will start being noticed around the building.
- Lockdown on January 5<sup>th</sup> went very smoothly, teachers and students all followed procedures well.

### **Priority Area 3: Financial Stability to Support the District Mission**

- Current enrollment at semester break stands at 464, with two new students to start first week in February.

## **Priority Area 4: Strengthen Community Relationships**

- Cancer Coin Drive was a huge success raising more than \$7400 dollars for the Schlangen family, as Adam Schlangen is currently battling cancer.
- Elementary PTO carnival is coming up Friday January 29<sup>th</sup>.
