Dear Ms. Frost:

It is my pleasure to inform you of your appointment to the Advisory Committee on Financial Management, Accounting and Reporting. This appointment is for a three year term beginning January 1, 2016.

We believe that the work of this committee truly enhances the Department's effectiveness in dealing with matters of financial management. Committee representation includes eight public school employees, including superintendent and finance directors/accountants; one charter school representative; four regional accounting coordinators, a CPA who audits both school districts and charter schools; and representatives from the Minnesota School Boards Association and State Auditor's Office.

We will be sending a notification of the upcoming Advisory Committee meeting at the Minnesota Department of Education. An agenda will be emailed to you prior to the meeting.

Thank you for your willingness to serve on this important committee. Congratulations and best wishes.

Sincerely,

A handwritten signature in cursive script, reading "Brenda Cassellius".
