Notes from the Principal

This is always a tough topic—but let's talk about it! Bullying. The following is the definition of bullying from the National Centre Against Bullying: Bullying is an ongoing misuse of power in relationships through repeated verbal, physical and/or social behaviour that causes physical and/or psychological harm. It can involve an individual or a group misusing their power over one or more persons. Bullying can happen in person or online, and it can be obvious (overt) or hidden (covert). Single incidents and conflict or fights between equals are not defined as bullying.

Conflict vs. Bullying - What's the difference?

Conflict	Bullying
<ul style="list-style-type: none"> • Disagreement or argument in which both sides express their views • Equal power between those involved • Generally stop and change behavior when they realize it is hurting someone 	<ul style="list-style-type: none"> • Goal is to hurt, harm, or humiliate • Person bullying has more power* • Continue behavior when they realize it is hurting someone. <p><small>* "Power" can mean the person bullying is older, bigger, stronger, or more popular.</small></p>

It is important to know the difference. The term, if overused, loses impact. We take bullying serious and follow up on each report. Most often, we find that the incident was a conflict and not bullying. Students will have conflict and resolving and recovering from conflict is developmentally essential for social development. The playground is the most common area where conflicts occur. Help your child understand that after they try to resolve the situation, they should report it to an adult as soon as possible for help and support.

Candy-Bar Fundraiser

Our candy bar fundraiser is up and running! It is a close race for top sellers and exciting to see. The students are so excited to come in the office and claim their prizes! We still have some golden tickets unclaimed for those one-pound candy bars; who will be the lucky winners?

I want to thank Kim Sarago for handling all the logistics with the fundraiser! I also want to thank Nancy Moulton for covering for Kim and helping during those busy times. These ladies make the fundraiser successful for our school!

All money is due by Nov. 27th.

Car Pick-Up and Drop-Off

Thank you so much for working to adhere to the policies this year. It has worked so much more smoothly so far and is more equitable for everyone. Just a couple of reminders and updates:

PM Line

If you need to get out of your vehicle to help your child, for any reason including car seats and seat-belts, you should pull into the lot and park in a legal parking space. The drive-up line should flow quickly and respect everyone's time. Students using this line should be able to get in and buckle up on their own to not hold up other traffic. It becomes a safety concern. Students should also be entering the car from the curbside.

AM Line

Please pull all the way forward around the bend of the sidewalk. If you stop short, prior to turning, not as many cars can fit and it leaves unused space up front. It is just a few extra steps for the students and great for healthy bodies.

Back of School

This is never an allowed pick up or drop off spot for parents and students.

HALLOWEEN FUN !
