

Rush City High School

February 16, 2017

Brent Stavigl High School Principal

Priority Area 1: Achieve Academic Excellence

- Carlie Mell received a Certificate of Merit and is now a National Merit Scholarship finalist. Go Carlie!!!
- Eric Telander's science students conducted an environmental science assembly for grades 3-6 at Jacobson.
- January 27th staff development day
 - Jennifer Lake (SCRED) presented additional strategies for Social Studies teachers to incorporate ELA standards.

Priority Area 2: Foster a Positive and Safe Environment

- Addressed students in the theater discussed safety, the importance of relationships, harassment vs. bullying, online reporting, the possibility of closing open lunch.
- See something Say something Tiger – online reports now available for bullying or tips regarding high risk behaviors.

Priority Area 3: Financial Stability to Support the District Mission

- Utilizing the study center to reduce sub expenses and a reduction in the amount of external staff development.

Priority Area 4: Strengthen Community Relationships

- Lion Vern spoke to the Leo's club two more times. They've learned about the history of the lions and the Leo's.
- The Leo's club has been holding hat days every Friday in February to raise money for the Jordan family and awareness of fire safety.
- Career Fair to be held March 6th from 2:15 to 5:00.

Area of Concern or Current Challenge

- Adding upper level electives that are available for all students. Current plans for 17-18 course offerings will add electives.
