

FOOD4KIDS BACKPACK PROGRAM

Rush City Schools' Food4Kids Backpack Program is designed to provide food for our students that may need a little extra support over the weekends and holidays. Food4Kids Backpack program is sponsored and organized through Family Pathways in North Branch. We greatly appreciate their involvement, as we could not offer this service without them! They will help Rush City Schools get our program up and running; however, in order to sustain the program we really need a little extra financial support. Please consider helping sponsoring meals for a student:

- \$2.50 feeds a child for one weekend
- \$100.00 feeds a child for the school year

Donations can be sent directly to our school and earmarked for the Backpack program. Every dollar we collect will help provide food for our students in need. Thank you for your generosity and support.
